**INVITE YOU TO ACTIVELY PARTICIPATE IN THE
1st INTERNATIONAL CONGRESS OF LABORATORY DIAGNOSTICS,
WHICH WILL BE HELD ON 25-27 SEPTEMBER 2020 IN ZENICA, B&H.**

The main objective of the congress is to present scientific and professional papers from different fields of laboratory diagnostics. With this congress we want to connect laboratories in Bosnia Herzegovina as well as in the region in order to get an insight into the current situation in laboratory diagnostics. We would like to point out and discuss existing weaknesses and to establish goals for the future in Bosnia and Herzegovina and in the region.

We invite all professionals involved in laboratory diagnostics, undergraduate, master and doctoral students, as well as their mentors, to actively participate and to present their best works through the poster and/or oral presentations and to exchange experiences.
